

ANTI-BULLYING RESOURCES PLUS OTHER GREAT HEALTH & GUIDANCE TITLES

Together we can banish bullying!

We know that knowledge is power. This October, give your students tools and resources that help them recognize, deal with, and prevent bullying in all of its forms. Crabtree's diverse collection of resources span many reading levels, genres, formats, and even languages, to reach readers with a message of hope and a sense of empowerment.

Take a Stand Against Bullying

(Reading Level: Grade 5 | Interest Level: Grades 5-8)
7 1/4 x 9 1/4" • 48 pages

From teasing and name-calling, to shoving, making threats, and exclusion—bullying takes on many forms and occurs in different environments. Using real-life situations and engaging questions, the Take a Stand Against Bullying series sheds light on an unfortunately timely topic. Readers will learn about different kinds of bullying, why kids bully, and how to take a stand against it.

Dealing with Drugs

(Reading Level: Grade 5 | Interest Level: Grades 5-8)
7 1/4 x 9 1/4" • 48 pages

Dealing with Drugs examines the serious issues of drug use and misuse, and provides accurate, compassionate, and timely information about the drugs most commonly used by young people today. Special sections on statistics and drug history help young readers with essays and presentations, while chapters on addiction, treatment, and seeking help emphasize real-world solutions to drug dependence.

Understanding Mental Health

(Reading Level: Grades 5-6 | Interest Level: Grades 5-8+)
7 1/4" x 9 1/4" • 48 pages

Mental health is an important and often misunderstood concept. This insightful series takes a sincere and authentic approach in discussing different mental health issues and disorders. Concise, easy-to-follow text explains the importance of social and emotional health and the symptoms and possible treatments of different mental illnesses. First-hand accounts from people with mental illnesses as well as from family and friends help make this difficult topic relatable and provides an opportunity for open and honest discussion about stigma, what is "normal", and how to help a friend or family member (including a sibling or parent) with a mental health issue.
