### A NEW SERIES!

#### Consumer Nation: How to Shop to Change the World

Reading Level: Grade 6 | Interest Level: Grades 6-9+  
7½ x 9¾" • 48 pages

Gandhi once said, "Be the change you want to see in the world." In this inspirational series, readers will learn about the social, economic, and environmental impacts behind their favorite foods, fashions, electronic gadgets, and toys. Thought-provoking case studies, debate boxes, and first-hand accounts of sweatshop labor encourage readers to be informed and ethical shoppers.

### A NEW SERIES!

#### Economics of Entertainment

Reading Level: Grade 6 | Interest Level: Grades 5-8  
8 x 10" • 48 pages

The concert is just starting—but what happened before that to get that concert on the stage? The Economics of a Rock Concert takes a fascinating look at the production process and financing of a stadium concert. Various links in the economic chain include ticket sales, management fees, advertising costs, and contracting for laborers to set up the stage, sound, and security.
