

GREEN LIVING HOTLIST

The Green Scene

Reading Level: Grades 2-3 | Interest Level: Grades K-3
8 x 8" • 24 pages

It is often said that the children of today will inherit the Earth of tomorrow. It is this idea that makes environmental education all the more important. **The Green Scene** is an empowering new series that uses accessible text, vibrant images, and engaging activities to educate and encourage readers to practice environmental stewardship and build lifelong eco-friendly habits.
