Art Tool Planning Sheet

Our tool helps artists:

☐ create and apply a pattern  
☐ apply color  
☐ change the shape of a material  
☐ make music (instrument)  
☐ hang work to dry or for display  
☐ Other: ________________________________

Materials
Our tool is made from:

Creating an Art Tool
Here is a labeled picture of our tool:
These words and pictures describe how to use our tool:
I’m a Color Creator!

The name of my color is: **Kitty-Cat Orange**

Describe your color:

- **My color is dark orange. It has some gold in it.**
- **It is like the color of my cat’s fur.**

It is a **warm** (cool) color.

Here is my color:

![Image of Kitty-Cat Orange]

**Steps to make** **Kitty-Cat Orange**

Remember to write the tool you used to add each paint color (small spoon, bottle lid, toothpick, etc.).

1. **Add one small spoon of red paint.**
2. **Add one bottle lid of yellow paint.**
3. **Add two toothpick dips of gold paint.**
4. **Mix the paint together.**
I’m a Color Creator!

The name of my color is: ________________________________

Describe your color:

Make a one-of-a-kind mosaic by putting many materials together! Your mosaic must have:

- Three or more different materials
- One or more natural materials
- One or more human-made materials
- A pattern

Planning My Mosaic
These are the materials I will use in my mosaic:

<table>
<thead>
<tr>
<th>Natural materials</th>
<th>Human-made materials</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Draw a picture of what your pattern will look like:

Use the checklist to review your work:

- I included three different materials
- I included at least one natural material
- I included at least one human-made material
- I created a pattern

Words to Remember

- **Mosaic**: Art made of many small pieces
- **Natural**: Something that came from the environment
- **Pattern**: A repeating design
- **Human-made**: Something that was made by humans. It is not natural.

One-of-a-kind Mosaic
Instructions and Completed Example

My Coat of Arms

Draw pictures and symbols to create a coat of arms that tells a story about you.

1. In section 1, draw a picture of your family members.
2. In section 2, draw a symbol that represents the season or month in which you were born.
3. In section 3, draw a picture or symbol of something that makes you happy.
4. In section 4, draw a picture or symbol of what you want to be when you grow up.
5. In section 5, draw a picture or symbol of something you are good at.
Create an art pattern that uses all five parts of art. Use this sheet to make a plan.

<table>
<thead>
<tr>
<th>My Line idea</th>
<th>My Shape idea</th>
<th>My Color idea</th>
<th>My Space idea</th>
<th>My Texture idea</th>
</tr>
</thead>
<tbody>
<tr>
<td>Materials I will need: -</td>
<td>Materials I will need: -</td>
<td>Materials I will need: -</td>
<td>Materials I will need: -</td>
<td>Materials I will need: -</td>
</tr>
<tr>
<td>-</td>
<td>-</td>
<td>-</td>
<td>-</td>
<td>-</td>
</tr>
<tr>
<td>-</td>
<td>-</td>
<td>-</td>
<td>-</td>
<td>-</td>
</tr>
<tr>
<td>-</td>
<td>-</td>
<td>-</td>
<td>-</td>
<td>-</td>
</tr>
</tbody>
</table>

Sketch a picture of what your pattern will look like. Make sure it has all of the five parts.
Art Display Planning Sheet

Create an art display that shows a science idea. Your display needs to have three different kinds of art.

Sketch a picture of what each piece of art in your display will look like.

Use this box to brainstorm science ideas.

Which science idea will you show in your art display?

What kinds of art will you create to show your science idea?
